第1話『初めての相棒♪』

ロングライダーズ

That
maybe

Eh... Eh...
h... h...

But... Ami on
a bike... I'm
worried that
you'll fall off
in no time

Ami?!

Gyaa!

That even the
clumsy and
slow me could
somehow
change

Ow-
ow-
ow...

Are you
okay?

This is my
best friend,
Niigaki Aoi.

Thanks,
Aoi

She's my
childhood friend.
Even though we're
the same age,
she's so much
more mature and
responsible than I
am.

She's pretty,
fashionable,
and even
good at
sports!

She just radiates
self-confidence.
To be honest, I'm
a little...no, I'm
very envious of
her.

But...

I was scared I
would
just
immedi-
ately fall
off...

Well...
That's...
As you said

With a bike that
cute, I think I
can try hard to
make it work!

F-for
that
bike, I
can
try!

You're
still
scared,
aren't
you?

Really?
y?

ろんぐらいだあす！①

Welcome-goku!

Ah...um,
Aoi? Can
you come
over
here?

Uh,
um

What's
wrong,
Ami?

T-the price
over here
seems a
bit crazy...

Is there maybe...
an extra 0 by
mistake?

Ah
—

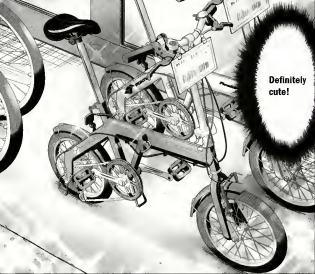

Definitely
cute!

I can't believe
there's a bike
this cute...

ろんぐらいだあす！①

I just...

Hm... I haven't really thought about it yet

Are you going to ride it to class?

wanted to try something different, since I'm not good at anything

I hope I can stick to this for a long time to come...

If I can continue with this, I think I can build some self-confidence too...

Riding this cycle and getting some exercise should definitely be fun!

Maybe I
can change
a bit, too

And
then...

・雨宿り・

既に御存知の方もいらっしゃるかもしれませんが、
『ろんぐらいだす!』の掲載誌である月刊ComicREXの
読者ページイラストを、2012年8月号より担当していて、
『ろんぐらいだす!』のキャラクターたちを登場させています。
唐突に依頼されたので、6月＝雨という安直な発想のもと、
雨宿りのイラストにしました(笑)。
